**Coaches Report**

Coach Schurdell stated that the coaches had been trying for 3 years to get the school to pay for plastic, ventilated lockers for the boys' locker room. The cost is around \$5000.00. Discussion about why the district should pay for the lockers instead of the booster club took place. No one motioned for a vote to pay for the lockers. The question about new touch pads for the team was asked. Coach Schurdell wasn't sure we still needed them because they were able to purchase some with the schools athletic fund. Tryouts will be May 27 and a date in August. Coach Schurdell is still planning a Spring Polo season. A discussion about whether or not to send letters to the district Athletic Director about paying for a spring water polo season and lockers took place. No decisions were made.
