Coaches Report

The heater for the pool has been fixed along with the bolts. Raynel Freeman volunteered to order the banners for Jingle Bells. There have been 6 confirmed schools for Jingle Bells and we will accept a total of 10.

Friendswood is our next meet, Thursday, November 12 at Clear Brook. The meet starts at 5 and we should be done by 7-7:30. Alvin will be a JV meet and TISCA is November 20 and 21st in Conroe.

Coach will look into the district painting the pink wall.

Discussion Topics

Banquet will be held May 16. Five options were presented; Cullen's, Bay Oaks, Lakewood Yacht Club, South Shore Harbor, Bailey's and Mario's. The booster narrowed the choices to four; Cullen's, Bay Oaks, Lakewood and Mario's. Coach Newton will present these four to the seniors and narrow it down to two and a final decision will be made at the December meeting.

Jingle bells will be held Dec 11 and 12th. Raynel will order banners; Lori Bloomfield is coordinating the ribbons. Trena Fincher will coordinate the Hospitality room; Ileana and Raymond will organize the concessions while

Raynel and Alicia will shop for the food. Coach Newton will get the kids to have the t-shirt design in by next week. Ileana will order the t-shirts and there will be no tax since Jingle Bells is our tax free event.

Monica Jacoby presented her investigation to preserve the plaques. She has some boat varnish we could try but unsure if it will ruin the pictures. Coach Newton will get us the name of the company we made the plaques to see if they have any suggestions on how to preserve them.

A discussion was held about the \$800 budget cut to Coach Newton's activity fund. It was discussed that the booster may be able to help her out on this issue. A question was asked about needing a new computer and Jason Miles stated he would get Caroline Miles to evaluate.

Another discussion was held about how the \$1000 dollar athletic funds are used. It costs a \$100 dollars per invitation for swim and \$300 for a water polo tournament. We are hosting the District Water Polo Tournery so that will not cost us. It was discussed that we need to be fair to equally distribute the booster funds between swim and water polo.
