**Discussion Topics**

Fundraisers-Yankee Candle: no one to give a report.

Fuddruckers-Michelle Braaten read by Lori Bloomfield-If you sign up to do a fund raiser with the restaurant, you pick a date and promote it through your organization. The booster club gets 10% of the sales that come in that have your promotion flier. If the restaurant has sales greater than \$1000.00 with your flier the organization receives 15% of the restaurant sales. He said we can pick the night and do it as many times as we would like. He also said the hardest thing we have to do is promote the night that we

choose. It does not seem to me to be a huge fundraiser; if the restaurant has \$900.00 worth of sales with our flier it will give us \$90.00. I think it sounds like a good fundraiser if you are a big organization that can attract a lot of people. However, I now have a contact name and number if we choose to do it.

**Gringos-** Lori Bloomfield It is too late this fall to do the certificates. Gringos stops the certificate program in Nov and Dec. Next year someone needs to call in August. We are on the calendar to sell them in March.

**Banquets-** It looks like May 16 is the only available date. Alicia will check into Mario's banquet room, Ileana will check into Bay Oaks and a few other places and report back with options.

**Uniforms-**There will be no more T-shirts orders unless we get 12 or more requests. The sizing kit for the Water Polo suits is in and Coach Newton has it. The girls suits are \$61.95 and the boys' suits are \$36.00 without logos or numbers.

**New Webmaster Needed-**Raymond Sepulveda has done a great job, but graduates out this year. It would be really good to get someone to volunteer and learn from Raymond. The server and domain have an expense associated with them. The booster club pays the fees. The web page is with the software Front Page. A lot of hard drive space is needed. Cindy Walker has volunteered.

**Other Business-** Alicia is looking into painting the red wall in the pool area. Coach Newton let us know that there are some issues in Facilities Management. The pool has broken bolts exposed under water that people are getting cut on. Painting the wall is also on the list at Facilities Management.

**Sponsor Board** is not hung up yet. An order to maintenance has been placed there has been not response.

**Next Meeting-** November 2, 2009 at 6:30 PM.

**Adjourned** at 7:20
