The new Record Board has arrived and we are waiting for the school to hang it up.

Coaches Report

On the coaches wish list is the new Meet Manager computer program. (The expenditure was voted on and passed at the December 3, 2008 meeting. Coach Newton will now purchase the program.) The trophy case has been crossed off the list. The possibility of a new lap top computer may be purchased. The plaque issue has still not been resolved. Monica Jacoby will research chemicals to put on the plaques to keep them from peeling. Paint the red wall red, waffle floors, suit dryers and fans were all brought up as possible things for the booster club to pay for.

Swim Season-5:45 AM practices and after school practices will begin September 21. The schedule is posted on the website.

Intrasquad Meet- October 15. The PALS and NHS have been asked to volunteer since the meet starts at 4 PM.

Jingle Bell Tournament- December 12. Lori Bloomfield will take care of ribbons. Raynel, Trenia and Alicia volunteered to help.

Discussion Topics

Fundraisers-Gringos Gift Certificates were approved as a fundraiser for the fall and spring if Gringos agrees. Lori Bloomfield will follow up with Gringos. Casa Ole, selling pies, Fuddruckers (Michelle will investigate) and Yankee Candles were all mentioned as possible fundraisers.

Football Concession Stand-Thank you to all of the volunteers for the football game. The booster club will be paid \$600.

Banquets- a lively discussion took place on whether to have 1 or 2 banquets this school year. Some people felt that the swimmers took a back seat to the WP team. The banquet was rushed due to the fact it was held the day after the State WP Tournament. The parents of the swimmers were concerned if there was one banquet again at the end of water polo season, the same thing would happen. Coach Newton was asked to make sure if the club only had one banquet to be sure that the swimmers had as much attention as the Water Polo players. A motion to have only one banquet this year was passed. The date will be decided on after we find out when the prom is.

Uniforms-T-shirts orders are due the 23rd of September. Swimsuit orders have been placed. The boys' water polo suits are gray and red and will be \$32-\$38 with out personalization depending on how many suits are ordered. The girls Water Polo suits are too expensive. The girls will have to think of a new design. No date has been set to order any water polo suits at this time.

Other Business-High School officials training at Clear Lake HS on September 30. Brook needs as many people possible to get trained.
